Chapter 1 by Gororachles

There is a song that is sang in the trees, no louder than a whisper. The lyrics of this song hold all the secrets of the Earth. Animals can hear it, making them important to the Earth. Babies can hear it, but they cannot remember it and when they learn to talk, they cannot hear it. The song is in a universal language, so that everyone can understand it if they hear it. I am an exception. I can hear the song. But no one should know. For I am a witch.
